Dear Gary

I would like to thank you and your team for supporting the relocation of our head offices from Wood Street to Portobello.

Considering the complexity of the move, and the fact that our whole operation had to remain live, each phase of the project was completed on time with the minimum of disruption and within the restructuring budget.

We are very happy in our new offices and enjoying the entrance to the building, which are of the highest standard, in line with ASSA ABLOY's premier position in the security industry.

Yours sincerely

Tzachi Wiesenfeld  
Managing Director
