Dear Gary

We moved into our newly built 12,000 square feet offices in Lutterworth on Thursday and we are now settled in and everyone is delighted with the finished product.

On behalf of BACP, I would like to thank Bushell Raven for the hard work and guidance given to us throughout the project in your role as Purchaser's Project Manager for the developer's base build, and Employer's Agent for the fitting-out contract. On a personal basis, I would like to thank you for making the project run smoothly. Your dedication and attention to detail was exceptional and I valued your professionalism throughout.

Both contracts went according to plan, were completed within budget, and allowed us to move out of our two existing rented premises in Rugby with a week to spare.

Please pass on our thanks to your team for the professional way in which you dealt with the multitude of issues, both contractual and legal, that arose from inception to completion.

Yours sincerely

E M O'Farrell (Mrs)
