Mr Gary Bushell
Bushell Raven Limited
Covert Farm
EAST HADDON
Northants
NN6 8DU

Dear Gary

I would like to express my personal thanks to Bushell Raven for the efficient way that you handled the project management of the construction to our new head office.

Although the site was within our existing main transport depot, the project was completed smoothly and cost effectively.

We are delighted with the quality of the end product and we would certainly recommend you to others.

Yours sincerely

CLIVE A W HODGKINSON
Managing Director
