I have used Bushell Raven for my QS work for 16 years and I am delighted with the service that I receive. They help me with the preparation of tenders and look after the financial and health and safety aspects of my jobs on site; this allows me to concentrate on running my business. They give me a reliable, friendly and efficient service and I would thoroughly recommend them.

A handwritten signature in blue ink, appearing to read 'M Church', is written above the printed name.
